The public of Barre and vicinity know a good thing when they see it, at any rate those who have so largely patronized Brady's big reduction sale, merchandise at this time of the year being large prices, and at this sale the public saved big money. We recognize in Mr. Brady a public benefactor by granting the many requests to continue his sale for ten days longer, as it gives the toll who have only a limited amount of money to spend for dress, an opportunity to furnish their entire family with clothes for half the price they would have to pay hadn't this sale been continued.
